

## **Keene ISD SHAC Goals for 2017-18**

- 1. Increase parent and staff involvement by more effective communication of the aim of the School Health Advisory Committee: to have a voice in the development of Health Policies for Keene ISD consistent with current legislation; to adapt health/wellness curriculum for our students; to find creative ways to help our students, their families and our community meet their health needs.**
- 2. Improve the safety of the Elementary/ Jr. High playground as addressed in the goals for 2016-17.**
- 3. Remodel Elementary Concession stand to include locking storage for PTO supplies.**
- 4. Restructure and/or remodel Elementary Cafeteria serving line to decrease confusion and increase efficiency of serving meals.**
