

****PARENTS AND STUDENTS****

Due to state requirements DSHS is unable to provide travel clinics for Johnson County at the beginning of the 2020-2021 school year, therefore Cleburne DSHS will not be coming to Keene ISD to provide an immunization clinic. Cleburne DSHS will be doing immunizations by appointment only. Below are the current times available.

Students who qualify must be: age 18 and under who have no insurance or are underinsured; or who have Medicaid; or are Native American or Native Alaskan. An administration fee of \$10 is requested per child regardless of the vaccine or the number of vaccines received. If any of your students reside in Johnson County, the vaccine administration fee is waived courtesy of Shots for Tots.
